GENERAL SECRETARIAT
21 OCT. 1935

SIR,

Increase of pay to certain Menial Staff of His Highness the Maharaja's Charities at Tirupati.

I have the honor to forward herewith a copy of report No.53 dated 3-9-1935 from the Peshkar of the Tirupati Charities recommending increase of pay to the menial staff of the Charities.

2. The present pay was sanctioned in G.O. No.1135-6/Mu.211-28-3 dated 11-12-1928.

3. When I went to Tirupati last month for inspection certain menials represented that their pay was very low and insufficient for their livelihood in a costly place. It was ascertained that the menials in the Devasthanam Service are better paid.

4. The menials attached to the chattram on the Hills get one meal in the Chattram and also ½ seer of rice per day and those below Tirupati and Tiruchanur do not enjoy these privileges.

5. I do not think that there is need to revise the pay of the menials getting Rs 8/- and more. I propose to take up the cases of the Chattram servants who get a pay of less than Rs 8/- as their case deserves consideration.

6. I request that the increase recommended (as per enclosed report) resulting in excess expenditure of Rs 84/- per year may kindly be sanctioned, the excess charge being met from the savings effected in the sanctioned grants of the Charities which on the average of previous three years amount to Rs 1,521/- and can bear the additional --------

expenditure.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Your Honour was kindly pleased to personally direct me to submit proposals for giving a small increase to the pay of the menial staff of the Charities, I beg to submit herein a statement showing their present scale of pay and the proposed small increment and other details for kind perusal.

In the statement, it is proposed to fix the minimum as R 10/- for all the 3 peons equally and the maximum to R 12/- per mensem with an annual increment of R 0-8-0. The daffedar's pay is proposed to be raised to R 14/- with an annual increment of R 0-8-0. The ~~daffedarxx pay~~ first increment of R 0-8- may be kindly sanctioned in advance for the current year. The pay of the two gardeners at the Hill Choultry are proposed to be raised from R 7/- to R 9/- and that of the scavenger from R 5/- to R 7/-. The pay of the sweeper-women of all the three choultries are proposed to be increased by R 0-8-0. The Hill Choultry staff get one meal in the choultry and ½ seer of rice and condiments in addition to their pay.

In the choultry maintained by the Devastanam, the watchmen and peons are paid more. The watchmen's pay ranges from R 10/- to R 12/- and peons' pay from R 12/- to R 15/- and R 16/-. Though this high standard of pay cannot be given in our institutions, at least the pay of the peons working at Lower Tirupati and Hills may be kindly fixed at R 10/- to R 12/- and the daffedar's pay at R 12/- to R 14/-. The pay of the peon at Tiruchanur Choultry may be kindly fixed at R 9/- per month as he has light work there. The small increment proposed for the other menial staff such as gardeners and scavengers may also be kindly sanctioned.

I further beg to bring to Your Honour's kind consideration the case of the two clerks working here. They have to work at the Hill Choultry by turns for 6 months in a year and the clerk working on the Hills has responsible duties involving constant attention throughout the day and also at nights during the busy seasons of the year. The first clerk's pay may be kindly raised from R 25/- to R 30/- and the 2nd clerk's pay from R 20/- to R 25/-.

The Brahman cook and the paricharak of the Hill Chattram and the Viniyogi Brahmans of the temples are also aspiring to get some increase to their present pay. As I was kindly directed to submit proposals for peons and other menials alone, I have not included these persons in the statement.
